

Master list of the AAL: The Aid Allocation Literature

Pia Wichmann Christensen, Hristos Doucouliagos and Martin Paldam

Criteria for inclusion: (1) available before 1/1 2006. (2) Contains estimates of aid allocation effects that are analyzed in other papers. (3) Is in English. We have searched diligently, but some are sure to have escaped our net. However, we do think that we have covered nearly everything.
